RULES

1. The leaders on the trip are the ones with authority. Listen to them.
2. No wandering off alone or with another student unless given permission by a leader.
3. No leaving food, snacks, toothpaste, toothbrush, deodorant etc. or nice smelling items in the tent or campsite overnight.
4. NO spending time near or entering a tent that is used by those of the opposite gender.
5. No spending large amounts of time in any tent unless that time is designated by a leader (use it to change quickly, but nothing more).

CANOE RULES

- Canoes are not battering rams. Do not ram them into the shore. Ease them in.
- Everything in your boat should be tied to the gunnels, incase you flip. We do not want to lose any food.

- Each canoe is responsible for what is put in it by leaders when we arrive.
DO NOT LEAVE STUFF BEHIND AT PORTAGES.
- Do not use paddles to slap water. We are not carrying many spares.
- Make sure a heaving line, whistle, and bailing bucket are in your canoe.
- If you are under 16 you must wear your life jacket.
- It is not a race, stay in the pack, besides you do not know where we are going.
- You should always be within sight of all other canoes.
- No fishing while we travel.

IN CASES WHERE THE LEADERSHIP FEELS THAT A CHILD MUST BE REMOVED, THEY WILL BE DRIVEN PADDLED AND DRIVEN HOME AT THE EXPENSE OF THE INDIVIDUAL. PARENTS WILL ALSO BE CONTACTED.

Hopefully this will not occur.
